Supported by

If you've ever considered getting your own business off the ground, or are considering a change in direction in your working life, this is the opportunity to talk to advisers, free of charge, about everything from becoming self-employed or taking on a franchise, to getting careers and training advice.

If you're not working at the moment there are various opportunities to get help with finding new work or exploring self-employment in a positive and friendly atmosphere.

- Free advice on Benefits, Pensions, Tax and National Insurance for the self-employed
- Training courses and careers advice
- Business planning & Startup advice
- Women's Enterprise Support
- Support for Rural Businesses
- Taking on a Franchise
- Social enterprises
- Creative Businesses and more...

SEMINARS

The Business Support Team from HM Revenue & Customs will be running short seminars throughout the day on how they help people going into Self-Employment.

We are also delighted to invite you sit in on a stimulating 30-minute presentation (at various times during the day) by the World Class Inspirational Business Speaker -

TOM EDGE

'AGE IS NO BARRIER' top tips for setting up in business when you're over 50

For over 25 years Tom has been running his own company, and is an expert in the practical aspects, helping over 25,000 businesses to set up, survive and prosper. People like Tom because he is down to earth, sprinkling his training with Black Country humour.
